

St. Anthony School

2421 South C Street • Oxnard, CA 93033 • 805-487-5317

It gives me great pleasure to write to you a short note about the enclosures that are included in this informational packet.

St. Anthony School is currently accepting registration for the 2007-2008 academic school year. In this informational packet you will find general information about St. Anthony School. Recently, at the WCEA/WASC accreditation process for St. Anthony School, the statement was made that St. Anthony School is "Oxnard's best kept secret."

We recognize that parents are the primary educators of their child and appreciate the decisions that parents make regarding their child's education. An education is a gift; however, a Catholic education is a priceless gift. We also recognize that a Catholic education requires sacrifice, but what sacrifice is too great to ensure that your child succeeds academically while learning about their Catholic faith and the love that God has for each of His children on a daily basis?

We invite you to call or visit the school to learn more about the enrollment process.

I am looking forward to enrolling your child at St. Anthony School.

Sincerely,

Principal
