

2nd Grade Summer Homework

Dear parents,

This summer I hope you will have many great adventures with your soon to be 2nd grader! This is an important time for your child to play, be carefree and have fun. Between all of the fun times that summer brings, please make time to read and review concepts learned in 1st grade, as the "summer slide" causes students to forget what they have learned without practice over the summer.

Reading: Please encourage your child to take books with you on family trips, outings to the park or beach and even on short trips in the car. Below is a list of some books that are perfect for your second grader! They can be picked up at any local library.

- Arthur series by Marc Brown
- Scaredy Squirrel series by Melanie Watt
- If You Give a Mouse series by Laura Numeroff
- Clifford series by Norman Bridwell
- SkippyJon Jones by Judy Schachner
- Amelia Bedelia by Peggy Parish
- Henry and Mudge series by Cynthia Rylant
- Any and all Dr. Seuss books!

Use IXL to review all of those concepts that you have worked so hard on this year. Focus on the skills that are listed below:

Math on IXL: 1) Basic addition and subtraction facts (memorized) 2) Place value up to 2 digits 3) Geometry 4) Fractions 5) Counting money 6) Reading graphs and understanding data

Language arts on IXL: 1) Plural nouns 2) Verb tenses 3) Contractions 4) Capitalization

Try and see how many IXL medals you can earn over the summer! ☺ A prize will be waiting for you upon return to school.

I pray that you have a happy and safe summer. I am very much looking forward to having your child in my class and getting to know your family this year in 2nd grade. If you have any questions at all, please don't hesitate to email me. Have fun!
